**PRESS RELEASE**

**CORPORATE ENTITY THANKS FOUNDATION**

**BANKS HOLDINGS LTD (BHL) recently said a big “Thank You” to the Heart & Stroke Foundation of Barbados Inc.**

BHL donated \$3,500 to the organisation not only to assist in their continued efforts in providing an invaluable service to heart and stroke victims but also to thank them for their assistance during the recently held Health and Wellness Week of activities. BHL employees benefitted from a series of complimentary health screenings including blood pressure and blood sugar monitoring and the BMI analysis.

**Errol Lowe**, Employee of the Year for B&B Distribution Ltd, a subsidiary of BHL, presented the cheque to CEO of the Heart & Stroke Foundation of Barbados **Gina Pitts** who expressed gratitude for the donation.

Coordinator of the BHL Health and Wellness Week 2013, **Susan Boyce**, said: “We recognise that it is necessary for our employees to maintain good health if they are to perform at their optimum and so, have sought to provide this opportunity for them to capitalise on these services.”

She added, “It was a pleasure working with the Heart & Stroke Foundation on this most important programme and we are grateful to Ms. Pitts and her team, especially nurses Sonia Sullivan and Roseanne Springer for so readily agreeing to work with us on this initiative.”
