NEWS RELEASE

CHRISTMAS CHEER COMES TO QEH!

CHEERFUL DECORATIONS and the sounds of merriment on Ward C8 of the Queen Elizabeth Hospital signal the annual Pine Hill Dairy (PHD) Christmas party for the children.

This is a project that is treasured by the PHD team, who come together each year to entertain the children, their parents and nurses on the ward. Performers **Tamara Marshall** and **Derek Fields** will present an array of Christmas Carols, and Santa Claus and his elves are ready to give each child a gift and supply the nurses with food hampers. Refreshments will be served on the terrace adjoining the ward.

Representing PHD are Commercial Manager, **Sandra Ramoutar**, HRO **Lisa Lewis-Sealy**, Inventory Controller **Stacey Williams**, Warehouse Clerk **Kenroy Sargeant**, Small Works Project Coordinator **Corey Harper** and BHL Supply Chain Assistant **Janelle Blades**.

Ms. Ramoutar summarised the importance of this party. “PHD is focusing on the reason for the season and therefore through this party, is bringing laughter and fun to these young ones and their caregivers, so that the children are reminded to focus on the message of hope.”
