

Plant Tours and Awards Ceremony to Climax ISO CELEBRATIONS

THE BARBADOS BOTTLING COMPANY, a subsidiary of The BHL Group, has become the first and only company in the world, audited by the British Standards Institute, to achieve certification in all four ISO standards at the same time.

BBC is now certified in the following ISO standards:

ISO 9001 – Quality Management

ISO 14001 – Environmental Management

ISO 22000 – Food Safety Management

OHSAS 18001 – Occupational Health & Safety Management

BBC's official activities to celebrate this achievement will climax this week with a number of plant tours and an Awards Ceremony for BBC employees to be held on Saturday, November 27, 2010.

On November 24, 2010 Minister of Commerce and Trade, Senator The Honourable **Haynesley Benn** toured the BBC facility along with a number of representatives from private sector associations.

School groups from BBC's neighbouring communities will visit BBC on November 25, 2010: Milton Lynch Primary; Ch Ch. Girls School, Vauxhall Primary School; Christ Church Foundation; Deighton Griffith. Employees across the BHL Group will have their turn to get a first hand look at BBC's manufacturing process on November 26, 2010.

Parliamentary Secretary in the Office of the Prime Minister, Senator **Harcourt Husbands** will give the feature address on November 27, 2010 at the Awards dinner. There will also be the presentation of the ISO certificates and the Coca-Cola Sustainability Cup
