PHD launches concentrated juices

THE PINE HILL DAIRY CONTINUES ITS TRADITION of offering variety to consumers with the launch of its newest product, Pinehill Juice Mixers.

Pinehill's Juice Mixers are concentrated and made from the highest quality fruit and available in a family-sized 1-litre package. Brand Manager **Alicia Lynch** said, "We wanted to provide our consumers with yet another affordable Pinehill product which offers value for money. Pinehill Juice Mixers are perfect for families, with one bottle yielding up to 21 servings per container."

Pinehill Juice Mixers are available in four attractive flavour options: Orange, Pineapple, Grapefruit and Tropical Fruit in major supermarkets islandwide.

PHD's Juice Mixers will also be exported throughout the region.

PIX CAPTION: PHD's new 1-litre concentrated Juice Mixer is available in four tasty flavours: Pineapple, Tropical Fruit, Grapefruit and Orange.
